

PERMIT APPLICATION: NRS #05-416

APPLICANT: Fred Harris
205 Dunwoody Lane
Hollywood, FL 33021
(954) 964-2306

LOCATION: Project is located on Lots #42 and 46, Block 324, Unit 201 at Cumberland Lakes, south of Crystal Pointe and north of Sycamore Bend; Cumberland County.

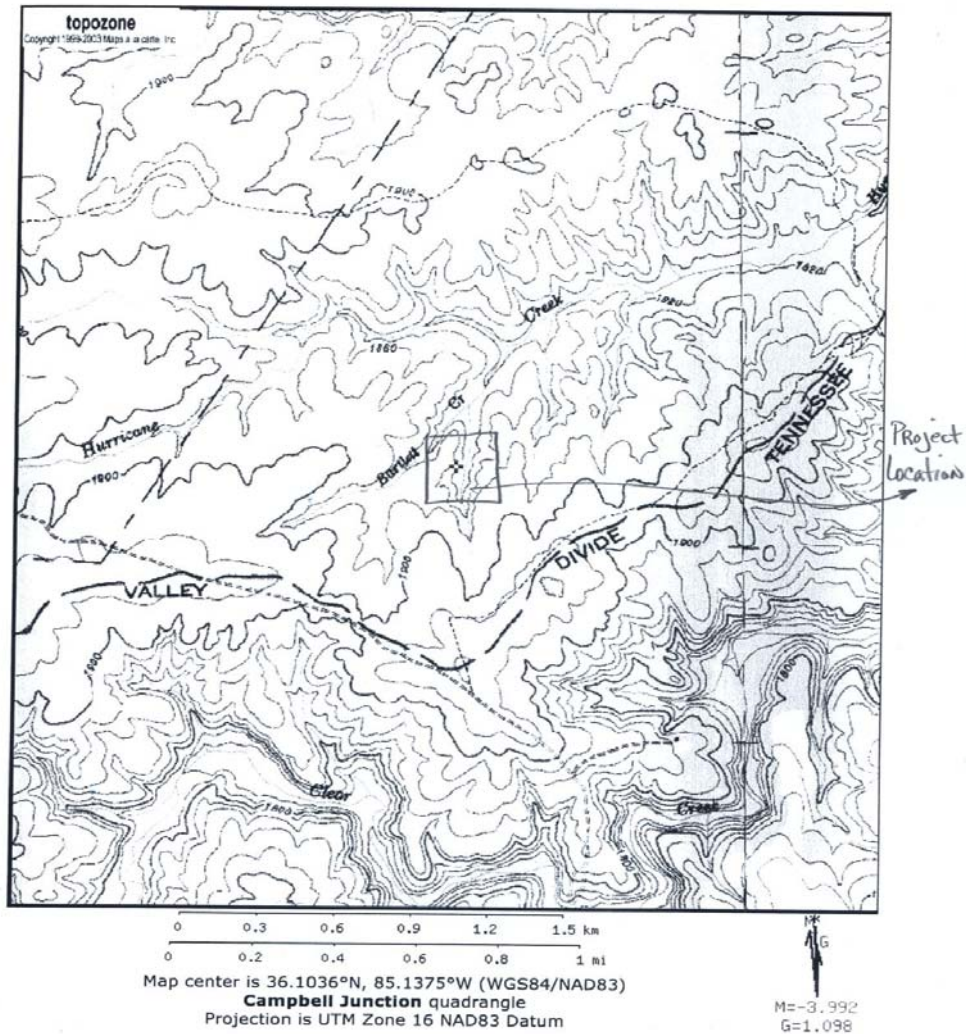

WATERSHED DESCRIPTION: Surrounding land use is wooded and has been subdivided into residential lots. A limited number of lots have houses. A small forested wetland exists between the two lots proposed to be impacted.

PROJECT DESCRIPTION: The applicant proposes to excavate a pond 160-feet by 65-feet in a small jurisdictional wetland between two lots above the upper end of a cove in Cumberland Lakes. Approximately 3,750 square feet of a forested jurisdictional wetland will be impacted.

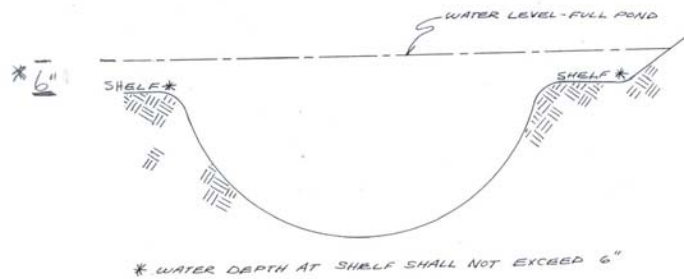

Compensatory mitigation will consist of design of the pond such that a shelf averaging 6 inches in depth and approximately 5-10 feet wide will be established around the pond. The shelf will be established with natural wetland vegetation and without maintenance.

PERMIT COORDINATOR: Mike Lee
